# GOONIES

## STRATEGY

The Goonies' goal is to find One-Eyed Willy's Pirate Ship. You must cooperate with Mikey, Brand, Mouth, Data, Stef, Andy, and Chunk to find the treasure and save your families' homes from foreclosures. The members of the evil Fratelli gang will try to keep you from reaching the Pirate Ship. Stay out of their way! There are plenty of other perils as you search through the underground chambers: hissing steam, deadly bats, poisonous slime, demonic flying skulls, and a giant octopus add to the challenge. Your objective in each screen is to make the two Goonies work together to solve the puzzle and find the exit. You'll walk, run, jump, climb, and bounce on trampolines. Don't fall into the water or lava pits! It's impossible to get through any screen without creatively using both the characters featured in that screen. Teamwork is the key to success.

# THE GOONIES HINT SHEET

Mama Fratelli is greedy and mean,  
Money will get her off the scene;  
Quench the embers; run, run, run;  
And you'll find your task is done.

Rocks that crush, pots that pour,  
Bats that fly, you can't ignore.

Duck the bullets, dodge the steam,  
Burst the pipe, and leave the scene.

Back and forth the Goonies race;  
A cannonball will set the pace;  
Clear the tunnel — knock out slats;  
Get out quickly; watch for bats.

Build a ladder, build it high,  
Before the rungs turn red and fly!

Deadly slime plays music sweet,  
Floors appear beneath your feet.

Eight arms guard the pathway out;  
 "Flush" him down the water spout.

Pirate's treasure, jewels and gold;  
 Mama wants all she can hold;  
 Sloth can make her leave her post:  
 Offer what she likes the most.
